Happy Ania and Tomek
managers of the cosy restaurant
in Krakow

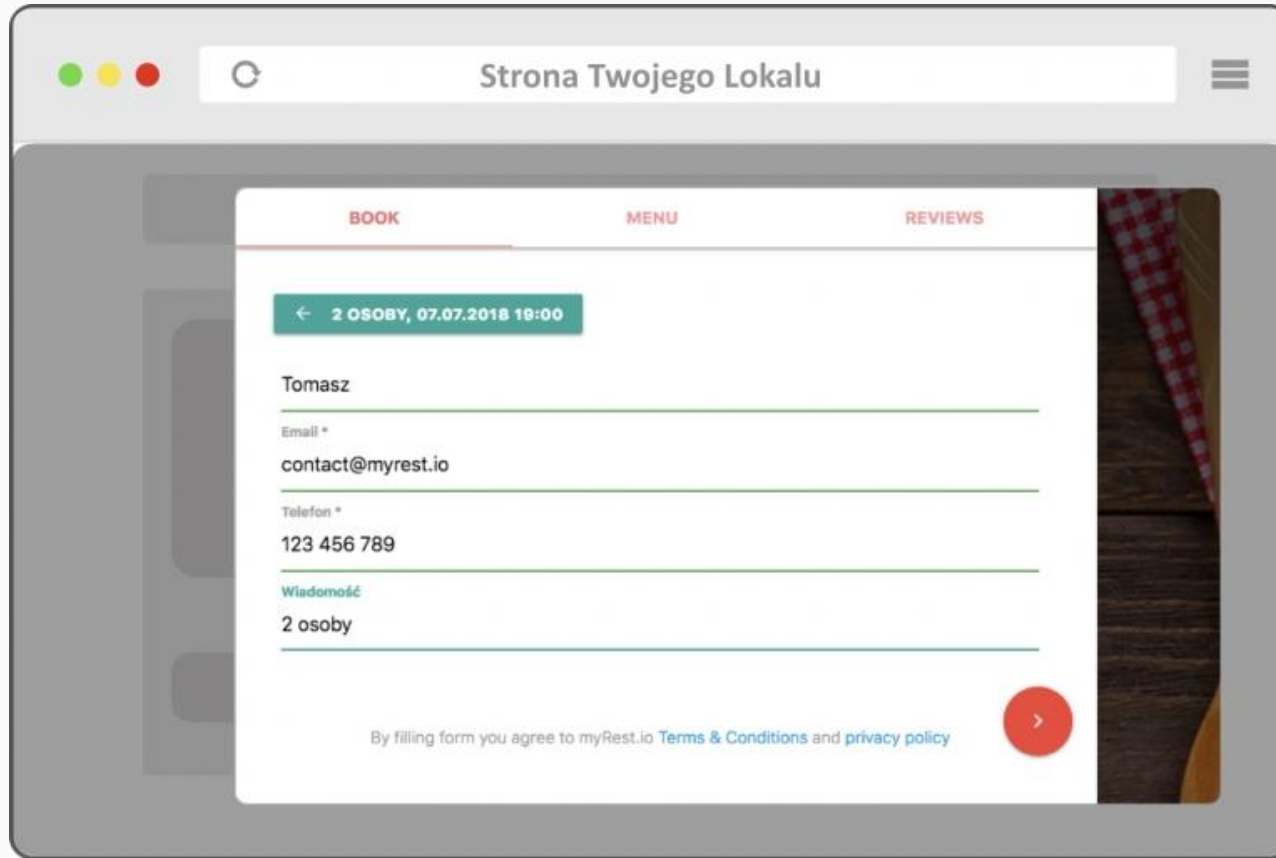

PROBLEMS

- weak social media channels monetization
- lack of digitization of the restaurant market
- weak "GastroMarketing"
- 3d party wendors – different marketplaces

WIDGET - SIMPLE ONLINE TABLE RESERVATION

The screenshot shows a web browser window with the address bar displaying 'Strona Twojego Lokalu'. The page features a navigation bar with 'BOOK', 'MENU', and 'REVIEWS' tabs. The 'BOOK' tab is active, showing a reservation form. At the top of the form, a green button with a left arrow and the text '2 OSOBY, 07.07.2018 19:00' is visible. Below this, the form contains several input fields: a name field with 'Tomasz', an email field with 'contact@myrest.io', a phone field with '123 456 789', and a message field with '2 osoby'. At the bottom of the form, there is a line of text: 'By filling form you agree to myRest.io [Terms & Conditions](#) and [privacy policy](#)'. A red circular button with a right arrow is located at the bottom right of the form.

- Easy booking process
- Order or pre-order option
- 1 line code integration to the restaurant's website / SM

Attractive 'Book Now' Button

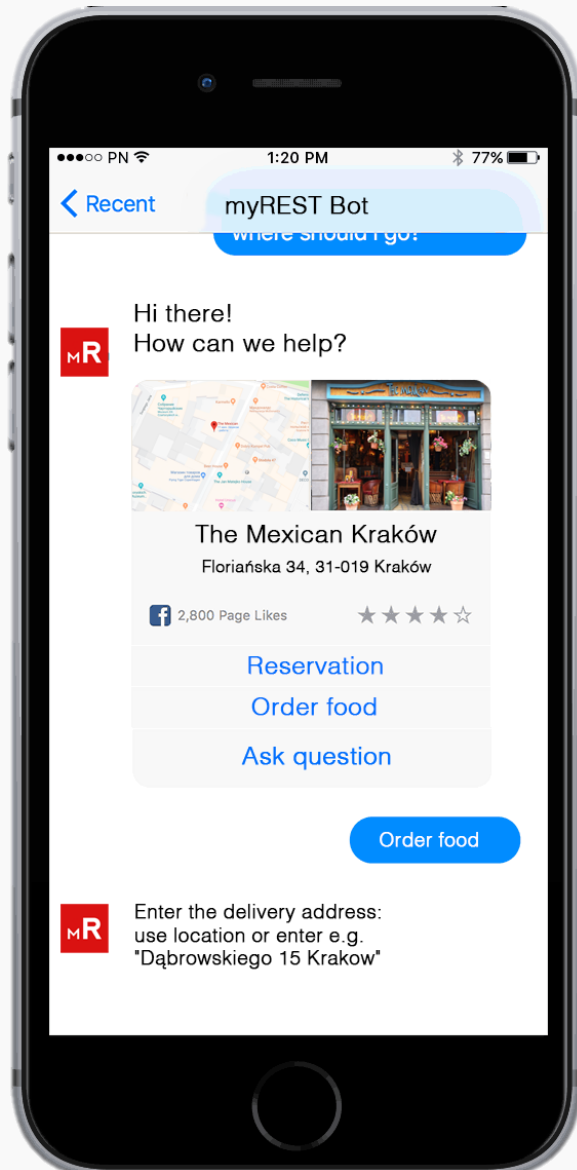

SMARTMENU

Quicker client service in each restaurant.

- order/pre-order from Website / FB / SM profiles
